	<input type="radio"/> package 2 [Salmonella spp., sulfit reducing clostridia]
<input type="radio"/> natural intestine	[total aerobic mesophilic germ count, Enterobacteriaceae, coagulase-positive staphylococci]
other packages upon request	
Other analyses or investigations:	

- I do **not** want an evaluation of the analysis results (conformity assessment). Please note that this leads to additional costs.
 I do **not** want to be assigned to a third-party laboratory. This leads to the fact that the offered investigation can not be carried out.
